HANDLING:

Airgest currently carries out Airport Handling activities on its own and it is the only supplier of all services at Birgi Airport. The rates for ground handling services are calculated per Tons based on **Maximum Take Off Weight**.

The Airline companies that intend to operate flights at Trapani Airport will have to communicate in advance to Airgest its operational program. The services requested on an ordinary basis from carrier and the resulting rate applied, must be subject to the **SGHA**. In lack of specific agreements, the standard rate will be applied for the type of flight.

BASIC HANDLING SERVICES RATES FOR COMMERCIAL OR CHARTER FLIGHTS:

*Standard Fare for passenger/freight/per rotation

per ton or fraction	€ 21,76
